The Girlfriend Mystery Getaway was created so you can take time for **YOU** and celebrate your spirit. We want you to truly discover the ingredients necessary for a fulfilling and rewarding life. It was created for the fall as it is a great time to stop and reflect on what is important to you before the busy rush of the next season.

How it works

Bring yourself or a bunch of girlfriends!! You and 3 girlfriends will be traveling to 5 mini-getaways in Eden Prairie. At each Mini-Getaway you will be discovering and participating in a new idea or activity to add more purpose, balance, happiness, health or energy to your life. Let's go! **Beep! Beep!**

Mini-Getaway Mystery Clues

- * What is the number one way to energize your core?
- * Where do you use your eyes for balance?
- * What did you think your purpose was in kindergarten?
- * What you eat today walks and talks tomorrow!!
- * What is something old? Something new? Something special just for you!
